

BETHEL

The Beaches Synagogue

Jewish education is a partnership between the families and the synagogue. Both are vital components in a successful program. Throughout the religious school year we rely on parents for a variety of things including helping in the classrooms and at special events, serving on our education committee, and sharing your skills and talents. Please return this form to the temple office with your registration form and let us know how you will help us in the upcoming school year!

I would like to be a **ROOM PARENT**.

A Room Parent keeps in contact with his/her child's teacher and assists the teacher with special projects and events. Room parents also help to organize the snack schedule.

I have a **SKILL/TALENT** that I would be happy to share with the Religious School.
For example: My Skill/Talent _____

Have you recently visited Israel and would be willing to talk to your child's class?

Do you play a musical instrument?

Do you love to cook and would be happy to assist a teacher in a cooking project?

Are you an artist?

I would be interested in serving on the **EDUCATION COMMITTEE** please contact me with further information.

I would be happy to help with **SPECIAL PROJECTS** throughout the year. For example:
